Product Attributes

- Fuel Type: Battery Powered
- Item Type: Leaf Blowers
- Brand: STIHL
- Item Condition: New

Features

Compact and ergonomic

The integrated battery cells mean that the tool is optimally balanced. The BGA is easy to handle. Its streamlined design creates plenty of room for manoeuvre.

Soft handle

Thanks to the two-hand control device and soft handle with lever lock function and lever, the user always has the cordless blower safely under control.

Activation key

The tool can only be used with the activation key. If the key is removed, the tool switches off to guard against unintentional activation. The tool can be safely stored and transported.

Charge level indicator

The remaining working or charging time can be viewed at any time by pressing the button. Four LEDs light up, or flash green or red, to indicate the charging state or problems.

Description

Easily manoeuvrable cordless blower for cleaning small outdoor areas at home. Round nozzle, integrated battery with charge level indicator. Battery charging time: 210 min/300 min (80%/100%). Approximate working time up to 10 minutes.
